NEESR-GC: Simulation of the Seismic Performance of Nonstructural Systems
Project kick-off meeting

University of Nevada, Reno - February 18, 2008

NEES Nonstructural
Simulation of the Seismic Performance of Nonstructural Systems

Host Institution

Funded by

Project Team Members Involved

Bob Reitherman, CUREE	Co-PI for E & O
Manos Maragakis, UN-Reno	REU
Andre Filiatrault U. at Buffalo	REU; Erie Community College students
Tara Hutchinson UC San Diego	REU
J. Ewing-Taylor, UN-Reno	12 minority high school students 2-wk summer program
Abhinav Gupta NC State U.	3 undergrad minority, 3 AGEP minority NC A & T
Sameer Hamoush NC A&T	3 undergrad minority, 3 AGEP minority NC A & T
Dave Schaefer, NC State U.	3 AGEP minority NC A & T
Bill Holmes, Rutherford & Chekene	needs of practitioners (e.g., SEAOC seminar)
Falko Kuester, UC San Diego	Visualization for Tech Museum; simulation for web
Wayne Smith, Tech Museum	Stereo projection at Tech Museum of Innovation
