

Project Management

Manos Maragakis, Project PI, Professor

Department of Civil and Environmental Engineering
University of Nevada, Reno

Robert Reitherman, Project Co-PI, Director

Consortium for Research in Earthquake Engineering

NEESR-GC: Simulation of the Seismic Performance of Nonstructural Systems
Project kick-off meeting

University of Nevada, Reno - February 18, 2008

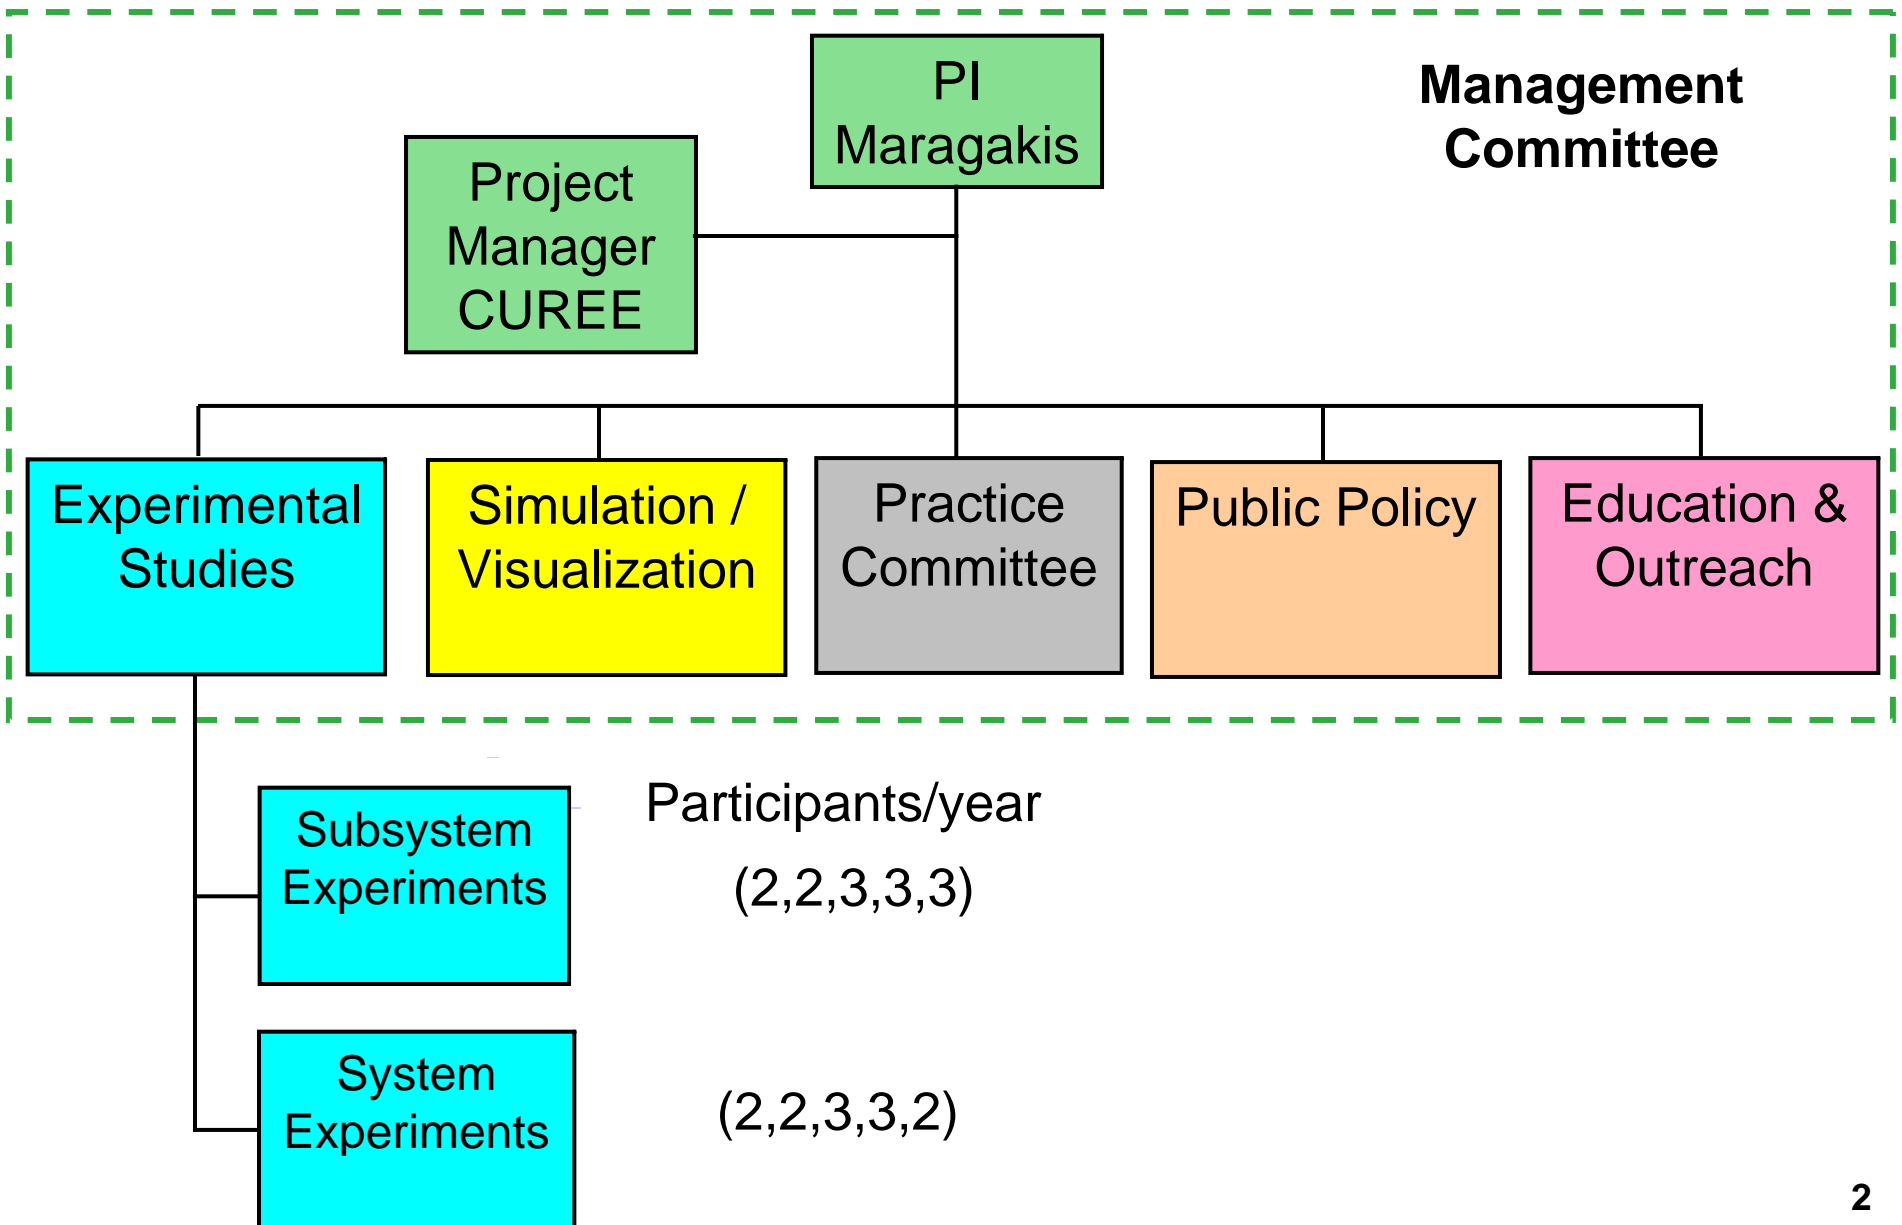

NEES Nonstructural
Simulation of the Seismic Performance of Nonstructural Systems

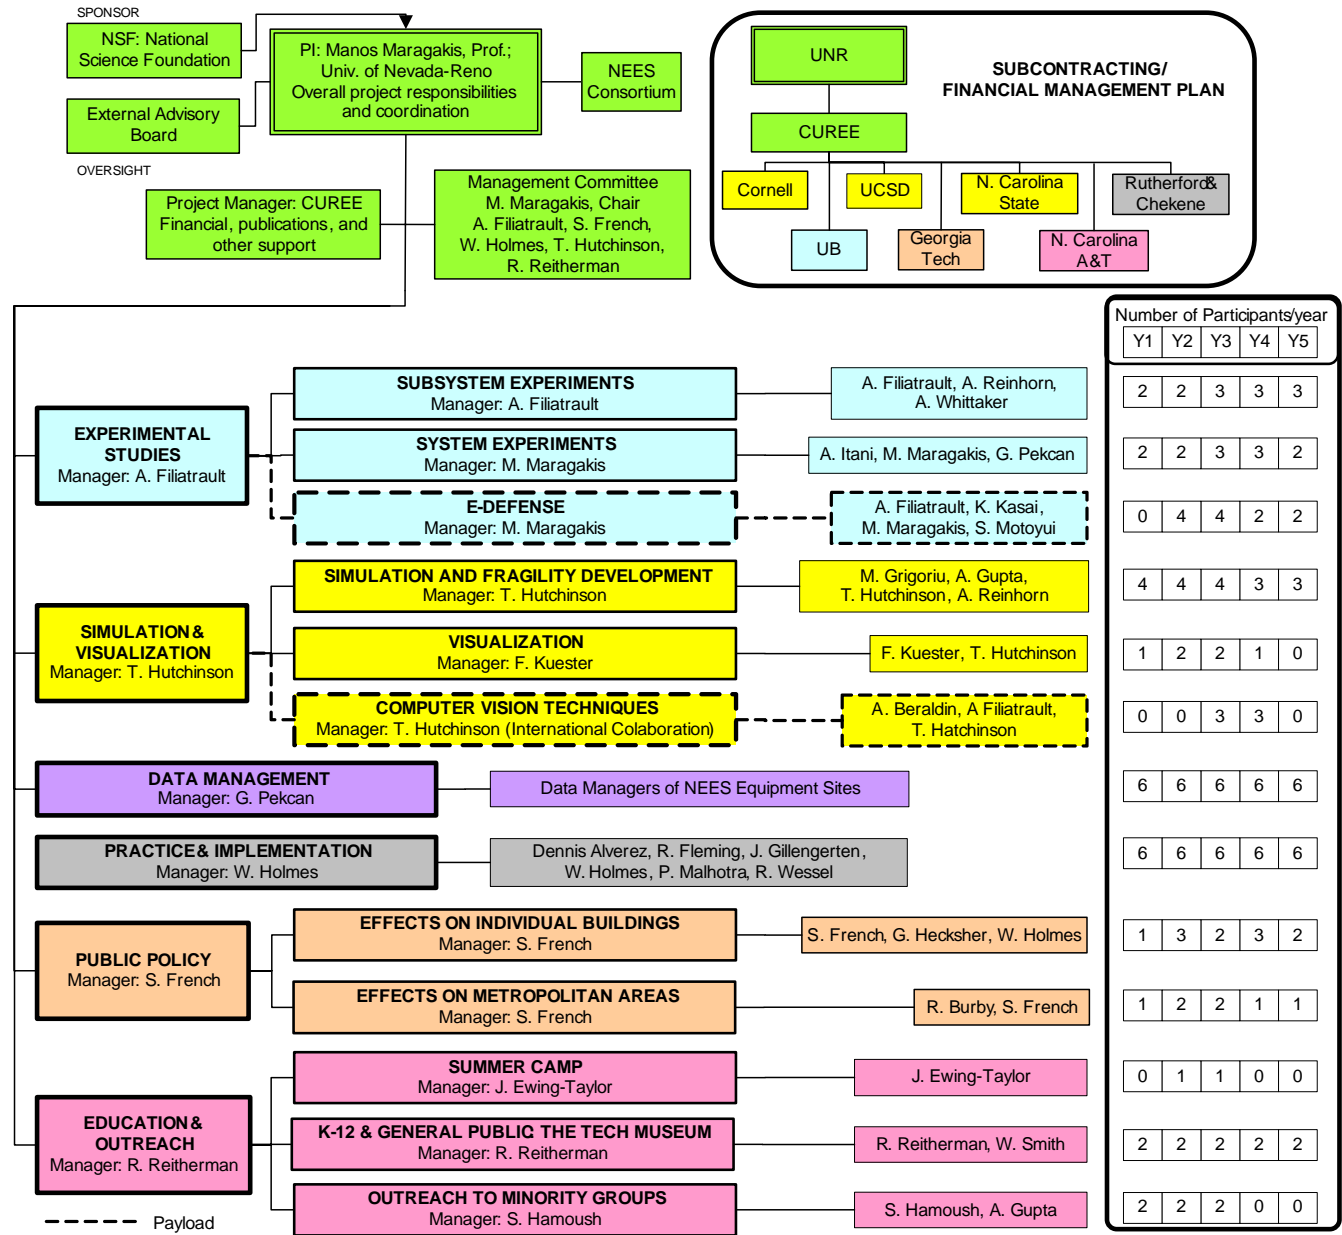

Host Institution

Funded by

Project Manager

CUREE (R. Helgens, B. Reitherman, D. Wong)

- Experience with management of large, multi-institutional projects
- Management of subcontracts
- Publication services
- Web services
- Assistance with travel

Project participants concentrate on research tasks
